Assocalzaturifici supports, protects and promotes the interests of the Italian footwear industry, in Italy and all over the world

About us

Assocalzaturifici is the national association representing industrial shoemakers in Italy. It has about 500 member companies and represents the excellence of Italian footwear. The footwear sector as a whole totals nearly 13 billion euros in annual sales, employs more than 68,000 people and exports 85% of its production.
