History of the BFA

How and why it all began

On 1st December 1898 Company 59737, The British Footwear Manufacturers Federation (BFMF) was registered. This registration formalised the existing affiliation of UK Regional Footwear Manufacturing bodies. The BFMF changed its name to the British Footwear Association at an Extraordinary General Meeting on 27th March 1996.

Our Working Groups

Led by the BFA Board

Join the BFA

-
-
- Commerce & Trade: Ecommerce, Customs and Duty
- Sustainability & Environmental, Social, And Governance (ESG)

Each Working Group contains at least one Director from the BFA Non-Executive Board of Directors. They share information directly with the Executive team to enable them to focus on what matters most to Members in these areas. These Groups also foster the qualities and skills we look for in future BFA Board Members and we welcome new participation.
