1.5M pcs/month

Two state-of-the-art factories in the Ismailia Free Zone, Egypt, with 24 production lines and a monthly capacity of up to 1.5 million pieces by 2026.

Full Product Range

Blouses, dresses, trousers, skirts, jumpsuits and more. Both woven and jersey (knitwear) production for women, men and kids.

Sustainability

Solar-powered energy, sustainable fabrics (recycled polyester, organic cotton, Ecovero viscose), and full social compliance.

Why Choose RB Garments?

Agile Production

Fast deliveries (2–6 weeks), high flexibility, and rapid sample turnaround.

Extensive Sourcing

Local and global fabric sourcing for the best material availability.

Certified & Ethical

Index approved, compliance with Egyptian laws, BetterWorks in progress.

In-House Design

Istanbul-based sample room, full communication between design and production teams.

Portfolio & Customers

Supplying Primark, Zara Kids, Zara Man, Stradivarius, Bershka, C&A, and more.

Continuous Innovation

Constant expansion into new product types — including knits and jersey.
